TOWARDS A BRIGHTER FUTURE

The FY 2011-12 was a momentous milestone year for Gujarat State Fertilizers and Chemicals Limited. The year under review marks culmination of GSFC's 50 golden years of inspiring saga of growth and remarkable performance.

Fifty successful years, is an exemplary accomplishment for an organization that was promoted originally to produce fertilizers and aid farmers to grow more food, more so considering that the average life span of any global company ranked by Fortune business magazine ranges from four to five decades. Incidentally, GSFC is at the top amongst five Gujarat based companies promoted by Government of Gujarat in Fortune India ranking of top 500 corporations in India.

VALUE CREATION

The success story of GSFC lies in its transformation from one-location one-product entity into a multi-location, multi-product corporate enterprise with growth trajectory always on a higher orbital path. Each of the fifty years under its belt is a story of consistently marching forward, negotiating bends smoothly and taking any challenge of change in its stride to serve efficiently and effectively and create value for all.

In doing so, GSFC has enriched lives of people, faith and trust of customers, shareholders and stakeholders, who have overwhelmingly extended their support in shaping GSFC into a viable national asset.

Two facets present the sum total of GSFC's achievements: Stability to Indian agriculture through quality fertilizers; Strengthening manufacturing industries with production and supply of critical intermediates.

The stability in agriculture has brought smiles to farmers elevating them from subsistence farming to sustainable living. On the non-agriculture front, GSFC's industrial raw materials keep the wheels of industry moving whose products touch the lives of millions every day in one or the other way.

PRODUCT PORTFOLIO

In Agriculture market "Sardar" is one of the most preferred brands amongst farmers, which is a tribute to its supreme quality and superior performance. Fertilizers apart, GSFC's chemicals has a hidden presence in numerous daily used products like tooth brushes, food products, paints, tyres, leather accessories, dyes, cosmetics, tissues, cottons and medicines etc. enabling us to share life with millions. Our presence is irreplaceable and encountering us is inevitable.

THE SUCCESS FACTORS

The success of GSFC revolves round four key concepts: Prudent Financial Management, Concern for Safety & Health, Sensitivity to Environmental aspects and Sound Risk Management.

GSFC's journey of success, so far can be attributed to its prudent financial management, is reflected in its strong balance sheet whose major highlight is that the company is debt free. Befitting the occasion GSFC has notched up revenue of Rs 5302 Crores, the highest ever profits before and after tax. To commemorate such a strong performance in spite of inclement weather in the global economic horizon, the company has announced a dividend of 75% to its shareholders.

INTEGRATED MANAGEMENT SYSTEM

GSFC has evolved its own unique integrated management system which has won accolades of being the most admired company. Five core values act as crucial pivots around which the system revolves seamlessly. The values are ethics, dedication, management excellence, environment and enhanced social responsibility.

No financial or physical target is beyond the ken of TEAM GSFC. As in the past, the drive along the growth path will be absolute. The new journey will see stronger growth making GSFC a leader in areas that it operates, without, in any way, diluting its core values that have been defined. The Team stands committed to leveraging on its accumulated expertise and experience for achieving higher growth and enhancing stakeholders' value.

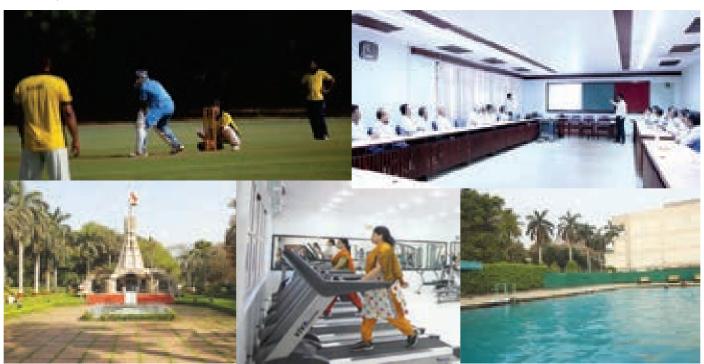

Most of the plants at GSFC Fertilizernagar are more than 25 years old and Risk Assessment of all the installations was carried out in phased manner.

Quantitative Risk Assessment study of all the plants at GSFC is done once again by M/s. PDIL and no non-compliance is observed. Recommendations received from them are being considered for implementation.

HUMAN RESOURCE MANAGEMENT

For business organizations capital and people are the major resources. While capital can be accessed to in many different ways, human resource, which is the most important asset, has to be nurtured and built over long time. GSFC strongly believes that nurturing human skills and managing talent are vital springboards with which company's basic resources could be leveraged upon to achieve the set corporate goals. The company also believes that human resource is its most important asset whose potential needs to be harnessed effectively so that it could deploy right number of people with right skills and attitude in the right place at the right time. The company's approach towards implementing forward-looking policies to train, build and retain talent has paid good dividends and GSFC can boast of having the most agile work force. We call our approach as Genome of Leadership. Our HR initiatives have been successful because they have imbibed in our employees a sense of belonging for GSFC, which is profound. One could perceive a cohesive spirit all round.

Caring for its employees is not confined to precincts of work places. The company has created a conductive and harmonious living environment in its township with easy access to school, medical centre, and open air theatre and shopping complex etc. Swathes of greenery, gardens and trees make the township an enviable habitat.

FOR MEMBERS' ATTENTION

- The Register of Members and the Share Transfer Books of the Company shall remain closed from Saturday, the 21st July, 2012 to Saturday, the 4th August, 2012 (both days inclusive) for the purpose of ascertaining the entitlement for payment of dividend.
- 2. Dividend, upon its declaration at the meeting, will be paid on Equity Shares of the Company on and from 13th August, 2012, to those members whose names shall appear on the Register of Members of the Company on the Book Closure date.
- 3. To make the payment of dividend through ECS or to print Bank particulars of the members on the dividend warrants, members are requested to furnish their Bank particulars viz. Name of Bank with its branch and address, Bank A/c. No., 9 Digit MICR Code appearing on the MICR cheque issued by the Bank etc. Please also send a copy of the MICR Cheque together with Bank particulars to the Company latest by 20th July, 2012.

The shareholders who hold shares in electronic form are requested to furnish their Bank particulars as aforesaid to their Depository Participant (DP) by the stipulated date.

- 4. Members are requested to quote Folio Number or DP ID and Client ID No. (in case of shares held in demat forms) in all correspondence and also to bring with them the Attendance Card which may be submitted at the entrance gate duly signed.
- 5. Members who are registered under two or more Ledger Folios are requested to write to the Registrars and Share Transfer Agents of the Company for consolidation, giving particulars of such Folios alongwith the relevant Share Certificates.
- 6. Members holding shares in the Dematerialised Form are requested to intimate changes, if any, in respect of their Bank details, Mandate instructions, Nomination, Power of Attorney, Change of Address, Change of Name etc. to their Depository Participant (DP).
- 7. Ministry of Corporate Affairs (MCA) has taken a commendable decision for promoting and implementing "Green Initiative in the Corporate Governance" by permitting

paperless compliances by Companies and has issued Circular Nos. 17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 respectively clarified that a company would be deemed to have complied with the provisions of Section 53 and 219(1) of the Companies Act, 1956, if documents like notices, annual reports, etc. are sent in electronic form to its Members.

Keeping in view the underlying theme, we also joined the bandwagon and accordingly, the said documents of the Company for the financial year ended March 31, 2011 and onwards are being sent in electronic form to those Members who have registered their e-mail address with their Depository Participant (DP) and made available to the Company by the Depositories.

However, in case a Member wishes to receive a physical copy of the said documents, he is requested to send e-mail to gogreen@gsfcltd.com duly quoting his DP ID and Client ID or the Folio No., as the case may be.

Members holding shares in physical form are requested to submit their e-mail address to the Registrars & Share Transfer Agents of the Company, duly quoting their Folio No. Members holding shares in electronic form, who have not registered their e-mail address with their DP are requested to do so at the earliest, so as to enable the Company to send the said documents in electronic form, thereby supporting the "Green Initiative" taken by MCA and the Company's desire to participate in such initiatives. Please note that the said documents will be uploaded on the website of the Company viz. www.gsfclimited.com and made available for inspection at the Registered Office of the Company during business hours.

- 8. Members are requested to send their queries, if any, at least seven days in advance of the meeting so that the information can be made available at the meeting.
- As a measure of economy, the Company does not distribute the copies of Annual Report at the Meeting. Members, therefore, are requested to bring their copies with them.

Very Important

- Members/Proxy are requested to show their Photo Identity Card at the entry point alongwith the Attendance Slip duly signed by self/the proxy, failing which the entry to the Annual General Meeting shall be denied.
- No bag or belonging shall be permitted to be carried inside the venue of Annual General Meeting.
- Carrying the Camera as well as photography by a mobile phone inside the venue of Annual General Meeting is strictly prohibited.
- The Members may kindly note that this is being done for security reasons.

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO SECTION 173 OF THE COMPANIES ACT, 1956

Item No. 5:

M/s. Prakash Chandra Jain & Co., Chartered Accountants, the Statutory Auditors of the Company will be completing two years tenure at the conclusion of the forthcoming Annual General Meeting (AGM). They were appointed Statutory Auditors at the last AGM. As a measure of good Corporate Governance practice, it is proposed to rotate the Statutory Auditors. It is proposed to appoint M/s. Deloitte Haskins & Sells, Chartered Accountants, Vadodara (Firm Registration No. 117364W) in place of retiring Auditors.

The Company has received a Notice under Section 190 of the Companies Act, 1956 from a Shareholder (DP ID. IN300757 Client ID. 10910919) of the Company proposing M/s. Deloitte Haskins & Sells, Chartered Accountants, Vadodara for appointment as Auditors at the ensuing Annual General Meeting. M/s. Deloitte Haskins & Sells, are a renowned firm of Chartered Accountants and they have wide experience of the Audit of various Companies. The Company has received a letter from them to the effect that their appointment, if made, would be within the prescribed limits under Section 224(1-B) of the Companies Act, 1956 and also that they are not otherwise disqualified to be appointed within the meaning of sub-section (3) of Section 226 of the Companies Act, 1956. As per the provisions of Section 224A of the Companies Act, 1956, since the Shareholding of Specified Entities is more than 25% of the subscribed capital of the Company, the appointment of M/s. Deloitte Haskins & Sells, as Auditors of the Company, is required to be made by way of a Special Resolution to be passed by the shareholders of the Company at the Annual General Meeting (AGM) as set out at item no. 5 of the Notice.

Your Directors, therefore, recommend the resolution for appointment of Statutory Auditors and for fixation of remuneration of Statutory Auditors for the F.Y. 2012-13 for your approval.

None of the Directors of the Company is, in any way, concerned or interested in the said resolution.

Item No. 7. 8 and 9:

At present, the Equity Shares of the Company are listed on the Stock Exchange Mumbai (BSE) and National Stock Exchange of India Limited (NSE) and they are actively traded in BSE and NSE. In order to enhance the liquidity in the capital market, widen shareholder base and to make the shares affordable to small investors, the Board of Directors at its meeting held on 30.05.2012, considered it desirable to sub-divide the existing nominal value of the equity shares of the Company from the present Rs. 10/- each into five equity shares of Rs. 2/- each.

Shareholders attention is also invited to the fact that in view of the forgoing, the existing Capital Clause V of the Memorandum of Association and Article 3 of the Articles of Association of the Company also need relevant amendment to give effect to the subdivision of the equity shares.

None of the Directors of the Company is interested in the resolution, except to the extent of their shareholding, if any, in the Company.

A copy of the Memorandum and Articles of Association of the Company together with the proposed amendments is available for inspection by members of the Company at its Registered Office during its business hours on all working days.

Your Directors recommend the said resolutions for your approval.

By Order of the Board

The Dividend shall be paid to those members, whose name shall appear on the Register of Members of the Company on the Book Closure Date i.e. on 21/07/2012.

D. SUB-DIVISION OF SHARES

Your Directors are pleased to inform you that the Equity shares of the Company are proposed to be sub-divided from the face value of Rs.10/- per share to Rs. 2/- per share. Suitable resolutions in this regard have been included in the notice convening the Annual General Meeting.

DIRECTORS' REPORT (Contd.)

Your Directors also wish to inform that as a result of sub-division of shares the liquidity of Company's shares would increase in the market. It would also broad base the distribution of shareholding as it tends to attract small investors. Your Directors recommended the passing of the said resolutions.

E. LISTING OF SHARES & DEPOSITORIES

The Equity Shares of your Company are listed on the Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Ltd. (NSE). As approved by the shareholders, an application for voluntary delisting of Equity Shares from Calcutta Stock Exchange Association Ltd., Kolkatta, was made, however, the approval for delisting is still awaited.

Your Directors wish to state that the Equity Shares of your Company are compulsorily traded in dematerialized form w.e.f. 26/06/2000. Presently, 96.37% of shares are held in electronic/dematerialised form.

F. REPORT ON CORPORATE GOVERNANCE AND MANAGEMENT DISCUSSION AND ANALYSIS REPORT TO SHAREHOLDERS

Your Company has complied with all the mandatory requirements of Corporate Governance norms as mandated by Clause 49 of the Listing Agreement with Stock Exchanges. A separate report on Corporate Governance together with the Certificate of M/s. S. Samdani & Associates, Company Secretaries, Vadodara forms part of this Annual Report. The Management Discussion & Analysis report also forms part of this Annual Report.

G. FIXED DEPOSITS

During the year 2011-12, your Company has not accepted / renewed any Fixed Deposit. Your Directors wish to report that there are 311 Fixed Deposits aggregating Rs. 41.61 Lacs which have remained unclaimed by Depositors, as on 31st March, 2012. Letters reminding them to exercise their option to seek repayment have been sent. Upto and including the date of this report, 104 deposits amounting to Rs. 13.17 Lacs have been repaid.

During the year, the Company has transferred a sum of Rs. 8.24 Lacs being the unclaimed deposits and interest amount thereon to the Investors' Education and Protection Fund as required in terms of Section 205C of the Companies Act, 1956.

H. INSURANCE

All the properties and insurable interests of the Company, including the buildings, plant & machinery and stocks have been adequately insured. Also, as required under the Public Liability Insurance Act, 1991, your Company has taken all the necessary insurance cover.

I. PROJECTS UNDER CLEAN DEVELOPMENT MECHANISM (CDM)

Your Company has taken up various projects for reducing emission and energy saving. These projects have also been submitted for validation and registration under the Clean Development Mechanism. This would help your Company to earn Carbon Credit.

Your Directors are happy to inform that a Project on fossil fuel change-over and Wind Mill Power Project of 10 MW have already got registered under CDM, while the Wind Mill Projects of 12 MW, 18 MW and 33 MW are under advance stage of registration process for availing carbon credit.

J. EXPANSION & DIVERSIFICATION

Your Company has taken up conversion of Ammonia-I Plant for production of Methanol based on technology from M/s. Haldor Topsoe, Denmark. M/s. Project & Development India Ltd. have been appointed as consultants for carrying out detailed engineering work for the project. The project is under execution and it is slated to be commissioned in the second guarter of F.Y. 2012-13. Your Company has also taken up modernization of Cyclohexanone unit at Vadodara.

Your Company has participated in a strategic Joint Venture with Tunisian Indian Fertilizers (TIFERT) in Tunisia with a view to ensure consistent supply of Phosphoric Acid for optimized running of its DAP Plant at Sikka. The Project is delayed due to political turmoil in Tunisia and it is now expected to be commissioned by the 2nd quarter of F.Y. 2012-13.

Your Company has been conscious of the development of Green technology and has translated this into reality by setting up total 123.4 MW Wind Mill Power Projects in the Saurashtra & Kutch Region. These projects are working satisfactorily and are meeting Company's captive power requirements as well as selling surplus power to the State Grid.

DIRECTORS' REPORT (Contd.)

Your directors also wish to inform that for additional 15,000 MTPA Nylon-6 capacity at Vadodara Unit, the technology tie up has been made with M/s. Lurgi, Germany, who is one of the most renowned technology suppliers for Polyamides and the project is planned to be operational in the last quarter of F.Y. 2013-14.

Your directors are pleased to inform that the Company has ambitious plans for setting up large capacity fertilizers & petrochemicals complex at Dahej for which land acquisition and technology search are almost completed. Your directors are also happy to inform that the Company has decided to take forward the capacity expansion in the DAP, Sulphuric Acid and Phosphoric Acid at Sikka Unit and has ambitious plans to add capacity of Water Soluble Fertilizers, Customized Fertilizers & Bio-fertilizers.

SETTING UP OF A WHOLLY OWNED SUBSIDIARY FOR AGROTECH BUSINESS:

The Company's growth depends on diversification and expansion of the existing facilities in related areas. Headway has been made in planning the activities related to bio-fertilizers, bio-fungicides, tissue culture, flori-culture, greenhouse technology, cold-storage chain, plant growth promoters etc. at Vadodara.

To take care of investment in new schemes, your company has promoted and incorporated a new company in the name and style of **GSFC Agrotech Limited**. It will be wholly owned subsidiary of your company. The business blue print for the same is under preparation.

K. INFORMATION REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNING AND OUTGO AND PARTICULARS OF EMPLOYEES ETC.

Information as required under Section 217(1) (e) of the Companies Act, 1956, read with Rule (2) of the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is given in Annexure "A" forming part of this report. The Company does not have any employee falling within the purview of Section 217(2A) of the Companies Act, 1956 and hence such Particulars of Employees are not included.

L. DIRECTORS

Pursuant to the provisions of Section 255 & 256 of the Companies Act, 1956, Shri Ajay N. Shah and Shri Vijai Kapoor shall be liable to retire by rotation at the ensuing Annual General Meeting and being eligible, have offered themselves for re-appointment.

The appropriate resolutions for appointment/reappointment of Directors are placed for the approval of shareholders.

M. DIRECTORS' RESPONSIBILITY STATEMENT

- iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; and
- iv) The Annual Accounts have been prepared on a "Going Concern" basis.

N. AUDITORS

Your Directors wish to inform that M/s. Prakash Chandra Jain & Co., Chartered Accountants, the Statutory Auditors of the Company will be completing two years tenure at the conclusion of the forthcoming Annual General Meeting (AGM). They were appointed Statutory Auditors at the last AGM. As a measure of good Corporate Governance practice, it is proposed to rotate the Statutory Auditors. It is therefore recommended to appoint M/s. Deloitte Haskins & Sells, Chartered Accountants, Vadodara (Firm Registration No. 117364W) in place of retiring Auditors. M/s. Deloitte Haskins & Sells are a renowned firm of Chartered Accountants and they have wide experience of the Audit of various Companies.

Your Directors recommend the approval of Resolution for appointment and fixation of remuneration to the new Statutory Auditors.

Pursuant to the directive from the Ministry of Corporate Affairs regarding appointment of Cost Auditor, M/s. Diwanji & Associates, Cost Accountants, Vadodara have been appointed as the Cost Auditor for Fertilizers, Chemicals and Nylon of the Company for the Financial Year 2012-13. The Cost Auditor for the F.Y. 2010-11 was also M/s. Diwanji & Associates, Cost Accountants, Vadodara and the Cost Audit Report was filed on 23.09.2011(i.e. four days before the stipulated date of 27.09.2011).

DIRECTORS' REPORT (Contd.)

Your Company has also appointed M/s. Haribhakti & Co., Chartered Accountants, Mumbai as Internal Auditors for carrying out the Internal Audit of its Vadodara Unit and Sikka Unit for F.Y. 2011-12. M/s. K.N.Mehta & Co., Chartered Accountants, Vadodara and M/s. Parikh Mehta & Associates, Chartered Accountants, Vadodara have been appointed as Internal Auditors for the Company's Polymers and Fibre Units respectively.

O. AUDITORS' REPORT

There are no comments/observations from the Statutory Auditors and hence no clarifications need be given on their clean report.

P. ENVIRONMENTAL PROTECTION

Environment control division has taken all round care for meeting all statutory requirements while disposing-off effluents, solid wastes and air emissions.

Bio-diversity study within and around GSFC complex was carried out by Gujarat Ecology Society (recognized by Ministry of Science & Technology), which indicates considerable improvement in the environment on account of various steps taken by GSFC for abatement of pollution.

Considering enhancement of Production activities of Caprolactam plants and upcoming projects like Methanol, Nylon-6 Chips etc., actions for revamping of effluent treatment facilities are in progress.

To monitor real time concentration of pollutants, scheme for installation of 4 nos. of additional "Online Ambient Air Quality Monitoring Stations" at four sides of the premises and GAS Detectors in different plants is under implementation.

GSFC has received renewal of Consolidated Consent and Authorization (CCA) vide Order No. AWH-44254 dated 16/11/2011, valid upto 06/06/2016 and complied with relevant statutory requirements.

GSFC was conferred Safety Award-2010 Certificate of Appreciation from NSCI, Mumbai and also prestigious 'Gujarat State Safety Award 2010' in the form of Certificate of Honor from Gujarat Safety Council and Director Industrial Safety & Health for achieving 3 million man-hours without any accident among Category - I Group A Industries.

Most of the plants at GSFC Fertilizernagar are more than 25 years old and Risk Assessment of all the installations was carried out in phased manner. Quantitative Risk Assessment study of all the plants at GSFC is done once again by M/s. PDIL and no major non-compliance is observed. A few recommendations made by them are being considered for implementation.

For up-gradation of fire fighting facilities to take care of any eventuality as well as extension of support to nearby industries, 06 nos. of new fire tenders have been purchased.

Q. HUMAN RESOURCES

Your Directors are happy to acknowledge that with the competent, motivated and cost conscious personnel, the Company made significant strides in its operations. The employees have been able to meet the challenges from time to time to improve upon the performance of its plants through efficiency, productivity and economy. Your Directors are happy to place on record their appreciation for the sincere efforts and contributions made by the employees of the Company.

Your directors wish to inform that the Company has introduced production, productivity & profitability linked incentive scheme for participation of employees towards higher productivity. Your company has recently concluded a wage settlement for the Vadodara Unit and an agreement to this effect has been signed with Employees Union.

R. ACKNOWLEDGEMENTS

Your Directors place on record their appreciation for the overwhelming co-operation and assistance received from the Government of Gujarat, Government of India, Bank of Baroda and other Banks and agencies. Your Directors also wish to express their gratitude to the investors for their continued support and faith reposed in the Company.

For and on behalf of the Board

Sd/-A. K. Joti Chairman

ANNEXURE TO THE DIRECTORS' REPORT

Annexure "A"

PARTICULARS REQUIRED UNDER THE COMPANIES (DISCLOSURES OF PARTICULARS IN THE REPORT OF DIRECTORS) RULES, 1988.

A) CONSERVATION OF ENERGY

Measures taken at Fertilizernagar, Vadodara:

 Supply of Brine from Caprolactam-I Plant to 3250 MTPY MEKO Plant.

In place of dedicated chilled water unit for MEKO plant, supply of brine to MEKO plant from Capro-I plant started based on margin availability in Capro-I brine system. This resulted into stoppage of Chilled water unit. It resulted into annual power saving of 2.40 Lacs unit (Rs. 9.00 Lacs).

- 2) Provision of New Cooling Water Pump in AS-I plant. In place of old, inefficient and higher capacity C.W. pump, new, energy efficient and of adequate capacity C.W. pump installed for AS-I plant D-part operation. It resulted into annual power saving of 4.95 Lacs unit (Rs. 18.54 Lacs).
- 3) Retubing of Ammonia condensers in Syn. Loop and Ammonia refrigeration section of A-IV plant.

After service life of more than 10 years, many tubes of Ammonia condensers in Syn. loop were plugged to tackle leakage problem. Identical replacement of Ammonia condensers carried out. Where as retubing with SS 304 in place of C.S. tubes carried out in Ammonia Condensers of Refrigeration loop. Both actions resulted into better cooling and therefore less loading on Ammonia Refrigeration compressors. It resulted into annual power saving of 75.30 Lacs unit (Rs. 282.30 Lacs).

- 4) Use of less Nos. of Bag conveyors in ASP Bagging. About 6 conveyors (3.7 KW motor rating) replaced with 2 Nos. of improved design conveyors driven by motor of 7.5 KW rating. Use of improved designed conveyors, use of energy efficient and adequate sized motors resulted into annual power saving of 1.00 Lacs unit (Rs. 3.74 Lacs).
- 5) Impeller trimming in 4.5K CT pump at Urea plant. During energy audit, it was observed that, process requirement of 3.5 kg/Cm2g pressure was maintained by throttling of 4.5K CT pump discharge sluice gate valve as its design pressure was 5.0 kg/Cm2g. Looking to the margin available in head, impeller trimming carried out to reduce power consumption. It resulted into annual power saving of 8.00 Lacs unit (Rs. 30.00 Lacs).
- 6) Installation of Hollow FRP blades in 4.5K Cooling tower, Urea plant and in Melamine-II plant.

Replacement of old FRP blades to aerodynamically efficient Hollow FRP blades carried out in 4.5K CT Fan-1 and in CT Fan-1&2 of Melamine-II plant. It resulted into aggregate annual power saving of 0.92 Lacs unit (Rs. 3.46 Lacs).

 Provision of Flow control valve on Sulphuric acid (SA) supply to AS-II plant.

SA to AS-II plant was supplied from SA supply common header. SA was received in SA tanks and again pumped to AS plant. As SA supply common header pressure was adequate, control valves were provided on SA feed line and direct supply of SA to AS plant started. This enabled stoppage of SA feed pumps at AS plant. It resulted into annual power saving of 0.24 Lacs unit (Rs. 0.90 Lacs).

8) Replacement of Screw Compressor Ammonia Condenser (792101) of AST Plant.

To improve the performance and reliability of Ammonia condenser; C.S. tubes replaced with SS tubes. Better

cooling resulted into less discharge pressure of Screw compressor and therefore less power consumption. It resulted into annual power saving of 4.00 Lacs unit (Rs. 15.00 Lacs).

 Utilization of excess air from New PSA based IG-IV Plant.

Due to availability of excess air from new Centrifugal compressor of IG-IV plant and looking to the maintenance problem faced by various reciprocating compressors and higher power consumption of the same, IA supply to grid started by operating Centrifugal compressor. Stoppage of various reciprocating compressor reduced maintenance cost besides resulting into annual power saving of 11.44 Lacs unit (Rs. 42.90 Lacs).

10) Utilization Additional Connection of I.A. Line from 6" dia. I.A. Header to Capro-I Plant.

Instrument air pressure was required to be maintained at higher value to meet requirement of higher pressure at Capro-I plant only. Looking to the high pressure drop offered by the system, a new 3" dia. connection provided from 6"dia. header passing through Capro-I plant. Due to additional source of IA, pressure drop across main supply header reduced. To that extent, IA supply pressure at Utility end could be reduced. Lower discharge pressure of compressor resulted into annual power saving of 7.20 Lacs unit (Rs. 27.00 Lacs).

Above mentioned measures resulted into aggregate annual saving at a rate of 115.45 Lacs units (Rs. 432.84 Lacs).

Measures taken at Sikka Unit:

 Energy saving by using Energy efficient lighting sources.

Energy efficient lighting was implemented, which resulted into annual power saving of 2.60 Lacs units, resulted into aggregate annual saving of Rs. 13 Lacs.

Measures taken at Fibre Unit:

 Quench air supply blower pulley replacement for Spinning Line 4 & 5.

Quench air supply blower pulley of 235 mm dia replaced by 216 mm dia pulley for spinning line 4 & 5. Annual power saving of 0.53 Lacs units (Rs. 2.72 Lacs).

 Quench air supply blower pulley replacement for Spinning Line 1.

Quench air supply blower pulley of 180 mm dia replaced by 160 mm dia pulley for spinning line 1. Annual power saving of 0.16 Lacs units (Rs. 0.82 Lacs).

3) Replacement of existing effluent transferring pump with energy efficient pump at Polymerization section effluent pit

Pump replacement resulted into saving of power by 0.06 Lacs units (Rs. 0.31 Lacs).

 Replacement of existing jockey fire pump with new energy efficient pump.

Pump replacement resulted into saving of power by 0.21 Lacs units (Rs 1.10 Lacs).

Above mentioned measures resulted into aggregate annual saving at a rate of 0.96 Lacs units (Rs. 4.95 Lacs).

ANNEXURE TO THE DIRECTORS' REPORT (Contd.)

Measures taken at Polymers Unit:

1) Utilization of capacity of Sheet Plant.

Sheet Plant was running in two shifts only since last 15 years. It was made operational in all three shifts to reduce the cost of production. It resulted into annual power saving of 4.08 Lacs Unit and annual steam saving of 3060 MT (Rs. 87.00 Lacs).

2) Overhauling of compressors and pumps.

Based on recommendation of Energy Audit conducted, total 2 nos. of Air compressors, 4 nos. of brine compressors and 2 nos. of C.W. pumps overhauled, as same were operated at lower efficiency. One inefficient brine compressor replaced with new & efficient one. It resulted into aggregate annual power saving of 2.55 Lacs units (Rs. 14.05 Lacs).

 Operational sequence change of 6 nos. of aerators of ET Plant.

Operational sequence of working of aerators changed as per dissolved oxygen content analysis of effluent. It resulted in power saving of 0.55 Lacs Units annually. (Rs. 3.00 Lacs).

4) Replacement of old lightings with energy efficient lightings and use of efficient AC units.

About 100 nos. of 50W tube light are replaced with 22W CFL lamps. About 6 nos. of old & inefficient AC units replaced with efficient AC units. It resulted into aggregate annual power saving of 0.22 Lacs units (Rs. 1.22 Lacs).

Above mentioned measures resulted into annual saving of 7.40 Lacs units power and 3060 MTs of steam. Aggregate annual saving is Rs. 105.27 Lacs.

Measures under consideration at Fertilizernagar, Vadodara:

 Replacement of Combustion Air Pre heater for energy improvements, A-III plant.

Existing air preheater will be replaced by efficient one to preheat combustion air more by reducing flue gas temperature from 205°C to 150°C. This will reduce NG fuel requirement in Reformer. The anticipated annual NG saving is 1.97 Lacs SM³ (Rs. 23.60 Lacs).

 Replacement of Semi lean solution pumps P-0302R, at A-IV plant.

Even after carrying out trimming of pump, generated head is higher than required. Scheme for replacement of the existing pump with suitable head pump is under consideration. The anticipated annual power saving is 1.84 Lacs unit (Rs. 6.90 Lacs).

- 3) Installation of small capacity C.W. pump, at A-IV plant. With power generation unit in operation, required C.W. circulation rate of 24000 M³/Hr is met by operating three nos. of C.W. pumps of 10000 M³/Hr capacity. Out of these three pumps, two pumps run at full capacity while third pump is operated in throttled condition, which is inefficient operation. Scheme is under consideration to install additional small capacity CW pump and to run it at full capacity. Running of adequate capacity C.W. pump at optimum efficiency will result into power saving. The anticipated annual power saving is 48.80 Lacs unit (Rs. 183 Lacs).
- Trimming of Semi lean solution pump (P0301A) impeller, at A-IV plant.

The pump is developing higher head than required. The impeller of the pump will be trimmed during next annual shutdown. The anticipated annual power saving is 6.86 Lacs unit (Rs. 25.73 Lacs).

5) Heat recovery from Blow down condensate, at A-IV

At present, blow down condensate at 156°C is diverted to Cooling tower basin. A scheme for recovery of heat from 156°C to 85°C is under process. The anticipated more generation of LPS is ~12000 MT per annum, which will annually produce additional power by 14.85 Lacs unit (Rs. 55.70 Lacs).

6) Installation of Benzene Preheater in Benzene Hydrogenation Section of Capro-I Plant.

It is proposed to preheat benzene by utilizing heat energy, which otherwise is being diverted to cooling water. This will result in to NG saving in furnace as benzene is heated upto reaction temperature by utilizing NG as heat source. The anticipated annual NG saving is 1.00 Lacs SM³ (Rs.12.00 Lacs).

 Replacement of Cooling Water Pumps in Nylon-6 Plant.

As existing C.W. pumps are running with low efficiency, consuming more power. Scheme is under progress to replace the pumps with higher efficiency pumps to reduce power consumption. The anticipated annual power saving is 3.20 Lacs unit (Rs. 12.00 Lacs).

Measures under consideration at Fibre Unit:

 Replacement of existing chillers by energy efficient non CFC based chillers.

Existing CFC based centrifugal compressor chillers replacement with non CFC based improved and efficient chillers will be carried out. The anticipated annual power saving is 11.00 Lacs Units (Rs. 57.00 Lacs).

Installation of variable speed drive screw air compressor.

It is planned to install screw air compressor equipped with variable frequency drive mechanism. The anticipated annual power saving is 16.50 Lacs Units (Rs. 84.00 Lacs).

Installation of variable frequency drive system on AHU blowers.

Optimization of air handling units to reduce air flow and cooling load with installation of variable frequency drive mechanism for various blowers will be carried out. The anticipated annual power saving is 2.20 Lacs units (Rs.11.20 Lacs).

4) Installation of energy efficient pump for B-350 monomer circulation pump.

Replacement of existing pump with energy efficient pump is under commissioning stage. The anticipated annual power saving is 1.28 Lacs Units (Rs. 6.50 Lacs).

Measures under consideration at Polymers Unit:

1) Reduction of natural gas consumption for steam generation.

To reduce natural gas consumption, boiler operation optimization is under consideration. Anticipated annual saving of NG is 0.31 lacs SM³ (Rs. 10.50 Lacs).

B) CONSERVATION OF RAW MATERIALS AND CHEMICALS

Measures taken at Polymers Unit:

1) Chemical treatment started at Cooling Towers.

Proper chemical treatment in Cooling tower started. It resulted into annual saving of 14600 M³ DMW, (Rs. 10.50 Lacs).

RESEARCH & DEVELOPMENT (R & D)

(1) SPECIFIC AREAS, IN WHICH R&D IS CARRIED OUT:

The areas are Polymers & Fibers, Environment Control & Waste Management, Value added Product(s) / Derivatives from existing corporate products, specialized Agri-inputs for improving quality and yield of agricultural output along with conservation of water, support to Plant and Marketing for Problem solving, Quality & Process Efficiency improvement and assurance, Customization of Products. Corrosion & Material Evaluation, Failure Investigation of Components of Plant Equipment & Machinery, Consultancy and Analytical Service to Plants.

(2) BENEFITS DERIVED

- (A) Development of New Products:
- Work for setting up 1200 MT capacity HX Sulphate Crystal plant is initiated after successful generation of Pilot Scale data. Mechanical completion and commissioning of plant is expected to be completed in current FY.
- 1500 MTPY Urea Phosphate plant reactor is expected by end of May 2012. Subsequently, production of Urea Phosphate-water soluble fertilizer will be resumed in new reactor set up.
- After successful production of various grades of Water Soluble Fertilizers (WSF) and Micronutrient at R&D pilot plant, process for setting up 30,000 MTPY production plant for these grades has been initiated. Tender Inquiry is floated for setting up this new project on turnkey basis. The plant is expected to be ready for production in FY 2013-14.
- Around 314.01 MT of 19-19-19, one of the most popular Water Soluble Fertilizers, has been manufactured based on in-house process know-how and released in the market under SARDAR NUTRISOL brand.
- 1.07,000 Packets of GOG approved Chelated Micronutrient have been produced based on in-house process know-how and released in the market under SARDAR Micro Mix: G-4 brand.
- Development of polymer coated urea as a controlled release fertilizer has been taken up. Initial testing job is awarded to Anand Agriculture University.
- vii. Market seeding of newly developed GUJCON PRF and GUJCON - CRF Nýlon 6 staple fiber products is under progress in construction industry.
- viii. Development, Customization & Commercialization of high impact glass fiber reinforce grade of Nylon-6.
- (B) Customization & Market support Services, Plant Support Activities:
- Plant support services rendered by R&D improved operational efficiency of various plants.
- Testing of initial performance of various catalysts used by the plant to provide valuable support to plants in selection and approval of those catalysts.
- The analytical and microbiology group of R&D is providing critical support to R&D Projects, pilot plant production activities, monitoring of cooling towers of 11 plants, non-routine analysis of plant samples, carrying out experimental work required for trouble shooting in plants and testing of catalyst properties. R&D also develops suitable analytical / microbiological methods to cater to the above requirements.
- On-line corrosion monitoring and Microbial monitoring of cooling tower water at various plants by R&D

- resulted in efficient running of plants and cost effective cooling water treatment.
- Monitoring of Cooling Towers for Biocide Efficacy.
- Support to plants through replacement of input materials by better quality and cost effective alternate materials for production of different Nylon 6 grades.
- vii. Know-how for production of Nylon 6 compounding grades from waste chips for improved quality and economics provided to plant.

(3) FUTURE PLAN OF ACTION

- 30000 MTPY capacity Water soluble fertilizers project construction and commissioning.
- Stabilization of production of 1500 MTPY Urea Phosphate plant.
- Construction of HX Sulfate Crystal plant having capacity of 1200 MTPY and its commissioning in current Financial Year.
- To continue to extend support services to the process plants for process trouble shooting, product quality up-gradation, and improving process efficiency etc.
- To provide catalyst testing service to plants through evaluation of initial performance of various catalysts and assurance of same prior to use in plant processes.
- To introduce more FCO approved Water Soluble Fertilizer grades under SARDAR NUTRISOL brand for drip and foliar/ soil applications as per Market requirements.
- Product quality optimization, scale up and field trials of Polymer coated urea product.
- viii. To continue market seeding of Nylon-6 fiber as Secondary reinforcement for Reinforced concrete as well as development of new value added Nylon-6 fiber products for specialty applications.
- To develop new Nylon-6 polymer based value added products having synergy with company's existing line of business, and to associate with marketing for application and technical support, and with process plants for commercialization of the developed technologies, quality improvement and assurance for polymer products of the company.

TECHNOLOGY ABSORPTION, **ADOPTION INNOVATION**

In house technology:

In house development of process technology for Hydroxylamine Sulfate Crystal product was accomplished. The technology is being commercialized through setting up commercial scale 1200 MTs / Year capacity plant based on in house designing and engineering. The project is at implementation stage.

Imported technology:

For Methanol and Cyclohexanone modernization - Capro-II Plant technology is imported and is under process of implementation.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1 MACRO ECONOMIC OVERVIEW

The Indian Economy is estimated to grow at the rate of 6.9% in 2011-12 as compared to the growth of 8.4% during 2010-11. With the good performance of Agriculture & Services, domestic economical downtrend could be attributed to the weakened industrial growth. Overall growth in the Index of Industrial Production during April-January 2011-12 was 4.0% as compared to 8.3% during 2010-11. Inflation, as measured by wholesale price index, was high during most of the portions of the current fiscal year. Due to weak manufacturing activity and rising costs, revenue of the country has been lesser than what was anticipated. With higher expenditure outgo as compared to the budget, a downslide is expected on the fiscal side. The other factors which can be attributed to the slowdown are global crises, especially the euro-zone crisis, the sluggish growth in the countries like USA, stagnation in Japan and the hardening crude prices. However, the growth outlook for the Indian economy appears to be promising.

The south west monsoon rains, the lifeline of agricultural production, was excellent during June-September, 2011. The cumulative rainfall received in the country as a whole was 898.80 mm which is 2% above the average. Out of 36 meteorological subdivisions, cumulative rainfall was excess/normal in 33 sub-divisions and deficient/scanty in the 3 sub-divisions. The rainfall spread as well as distribution was good. Most parts of the country received good rainfall and it led to a rise in ground water reserve and it helped the Rabi crops. This gave the boost to the food grain production which increased from 244.78 million tonnes in 2010-11 to an all time record level of 250.42 million tonnes in 2011-12.

Thrust on Agriculture:

Agriculture, the mainstay of the Indian Economy, is a vital driver for macro-economic performance and is equally a critical element for the growth strategy. The GDP growth in agriculture sector during the year 2011-12 was 2.5% as compared to 7.0% during 2010-11. The approach paper to the Twelfth Five Year Plan emphasizes the need to multiply our efforts to achieve 4% average growth in agriculture sector. Thrust on soil testing, increasing area under irrigation, favorable terms of trade to farmers, access to better & cheaper credit, more investment in agriculture, use of latest farm technology, fertilizer use efficiency, use of new and tailor made specialty/customised fertilizers for application based on soil report would certainly help in increasing agricultural production.

Gujarat is the primary market for selling fertilizers manufactured by your Company. The programs implemented by the State Government have helped immensely in improvising the agricultural productivity and this has enabled the Company to sell 7.64 lacs tonnes of fertilizers in Gujarat which constitutes 53% of its total all India fertilizer sale of 14.41 lacs tonnes. The State has emerged as the fastest growing state in the field of agriculture. The performance of Gujarat in the agricultural sector has been one of the best in the Country. As a result of Krushi Mahotsav and other initiatives of Gujarat Government, it has emerged as one of the major producers of food grains and cash crops. Gujarat Green Revolution Company Ltd. has covered 4.75 lacs hectares under drip irrigation in the state of Gujarat since 2005.

GSFC sold 14.41 lacs tonnes of Fertilizers, as against last year sales of 15.69 lacs tonnes, a decline of 8% mainly due to lower production of DAP at Sikka for want of Phosphoric Acid, a raw material. Out of the total sales of 5.43 lacs tonnes of DAP, your company sold 3.19 lacs tonnes in Gujarat. Thus, GSFC has the highest market share of 49% in Gujarat, followed by IFFCO (24%) and Indian Potash Ltd (10%). In case of Ammonium Phosphate Sulphate (APS) also, GSFC has the highest market share of 46% in Gujarat, followed by GNFC at 37%.

2 OPPORTUNITIES & THREATS

2.1 Nutrient Based Subsidy Policy:

Effective from 1.4.2011, Department of Fertilizer, Govt. of India (GOI) revised the NBS rates and has fixed Rs. 27.153/Kg for Nitrogen, Rs. 32.338/Kg for Phosphorus, Rs.26.758/Kg for Potash and Rs.1.677/Kg for Sulphur. These rates remained in force for the whole financial year. The selling prices of various fertilizers were free for determination by the companies/suppliers based on market forces. Urea, however, continued under statutory price control.

Implementation of Nutrient based policy w.e.f. 01.04.2010 has encouraged farmers to use fertilizers as per the nutrient requirements. This policy has manifold advantages.

It has promoted the balanced nutrient application which helps in restoring the soil health. Farmers have started using complex fertilizers. Subsidy on Zinc & Boron fortified fertilizers gave the boost to their consumption by farmers.

GOI also declared that secondary freight from last point to retailing point will be given separately. Secondary freight for the P & K fertilizers will be paid in line with the "Uniform Freight" applicable for Urea. Freight for direct road movement (primary movement) would be subject to lower of actual claim and equivalent rail freight. Freight rates for different slab of distance have been announced by DOF. Government of India is continuously monitoring implementation Mobile based Fertilizer Monitoring System (MFMS).

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

2.2 Areas of Concern:

Due to political unrest in Middle East & African countries, supply of raw materials, especially, Phosphoric Acid (PA) & Rock Phosphate, got affected during FY 2011-12 and this has impacted the production of fertilizers in the country.

CFR price of PA in the international market which was \$830/MT in Q4 of FY 2010-11 went up to \$1080/MT in third quarter of 2011-12. The price of imported Sulphur & Ammonia also rose substantially up till third quarter of 2011-12. Weakening Rupee against USD added to the woes of manufacturers & importers. This had the impact on the prices of finished products in case of domestically produced & imported Phosphatic & Potassic fertilizers & MRP of DAP touched the level of Rs. 18000-20000/MT. Demand from farmers' side reduced substantially. Thus, lower demand from farmers' side & huge imports created a glut in the market. There was a huge stock of DAP & NPK fertilizers. The Market witnessed price & credit war and almost all manufacturers/importers passed on huge credit/ discount and distribution margin to traders to off-load the material. The stock of DAP/NPK as on 31 March 2012 was 13.25 lacs MTs. Almost the same quantum was lying unsold in the field godowns. Besides this, huge quantum is lying with dealers/retailers and at ports.

Rising crude oil prices resulting in increase of diesel prices is also impacting the road freight.

2.3 Raw Material Price Behavior:

The international prices of finished fertilizers & raw materials witnessed a spurt during FY 2011-12 as compared to 2010-11. The average CFR prices of Phosphoric Acid (PA) which was USD 791 per ton during 2010-11 went up to USD 1018 (+29%) per ton during 2011-12.

Sulphur prices experienced a steep hike during 2011-12. The average price of Sulphur, which was oscillating around \$172/MT has gone upto \$225/MT, witnessing an increase of 31%. The average Rock Phosphate prices also increased from \$145/MT to \$186/MT. Ammonia prices also increased by 29% during 2011-12 as compared to 2010-11. Declining Rupee-Dollar parity also made imports costly.

The rise in raw material prices in the international market had an impact on finished DAP prices also. Average DAP prices till December 2010 was \$566/MT, which had gone upto \$679/MT. After December 2011, average CFR DAP prices started to decline and touched the level of \$540-550/MT. All India import of DAP during FY 2011-12 (April-Feb.) was 68.79 lacs MTs as compared to 74.10 lacs MTs during 2010-11. Sales of DAP also declined from 111 lacs MTs in FY 2010-11 to 107 lacs MTs in FY 2011-12.

Average CFR Prices of Raw Materials and Finished Products (\$ / MT)

Product	2010-11	2011-12	% Increase/Decrease
DAP	589	652	+11
PA	791	1018	+29
Rock Phosphate	145	186	+28
Sulphur	172	225	+31
Ammonia	401	517	+29

3 INDUSTRIAL PRODUCTS

The Financial Year 2011-12 witnessed a robust beginning. The prices of major Industrial Products touched new heights in the first half of the year which has resulted into better realization for Caprolactam, Nylon-6 Chips and Ammonia. The macro-economic environment witnessed a slow down during the second half of the year and the prices of our Industrial Products declined correspondingly. However, the depreciation of Rupee, which has been almost 4% during the year, has facilitated better price realization for most of the Industrial products sold on import price parity. The net sales of Industrial Products for the year 2011-12 have increased by 17% as compared to the year 2010-11, despite a dismal business environment during the second half of the year. The demand across all the user segments like automobiles, textiles, infrastructure, housing and consumer durables etc have witnessed a decline during the year under review. Inflation continued to remain high for most parts of the year before coming down to single digit.

The macro economic environment continues to remain damp and prices of key Industrial Products mainly Caprolactam, which accounts for almost 50% of the total sales turnover of the Industrial products, have registered a sharp decline. A depression has been declared for Europe and the Chinese economy is also faltering, the US is yet to come out of its recession and hence profitability and margin across the globe are likely to get affected with reduced consumption. While we may be able to achieve sales volume, the margins for most of the Industrial Products are likely to remain under pressure. Albeit, sales turnover is likely to be maintained at 2011-12 levels with the addition of new Methanol capacity towards the middle of the year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

EXPORTS:

MEK Oxime and Caprolactam are the main products being exported by the Company. During FY 2011-12, the export of Caprolactam was 7878 MTs as against 4419 MTs in FY2010-11. The increase in export volume is mainly due to domestic demand constraints for Caprolactam particularly in Q3 of 2011-12. MEK Oxime has been exported to about 30 countries and the export quantity was 1865 MTs in 2011-12 as against 2288 MTs in 2010-11. The decline in export of MEK Oxime is due to raw material constraints during H1 of FY 2011-12 as well as weak demand in Europe, our key export destination.

4 THE COMPANY'S FINANCIAL PERFORMANCE

Your Directors are pleased to present, in the Table below, a brief highlights of Company's financial performance:

Particulars	Rs. Crores	Increase over previous year
Sales Turnover	5302	+12%
EBIDTA	1297	+1%
Profit Before Tax	1113	-
Net Profit (PAT)	758	+1%

As can be seen, your Company has attained new heights in financial performance and this has improved across all the key performance parameters. The sales turnover achieved for the year ended March 31, 2012 was Rs. 5302 Crores, which registered a growth of 12% over the previous year. The EBIDTA increased by 1% from 1278.59 Crores to Rs. 1296.72 Crores. The Profit before tax is Rs. 1113.35 Crores and the Profit after tax is Rs. 757.57 Crores.

The Company has recorded highest ever Net Profit of Rs. 757.57 Crores which is higher by Rs. 8.20 Crores compared to Rs. 749.37 Crores in the previous year 2010-11. This has resulted into Earning per Share (EPS) of Rs. 95.06 as against Rs. 94.03 during the year 2010-11.

Your Directors have recommended 75% dividend aggregating Rs. 69 Crores including Dividend Distribution Tax. Thus, the retained earnings of Rs. 688 Crores have increased the net-worth of your Company from Rs. 2829 Crores at the close of previous year to Rs. 3517 Crores during 2011-12.

At the end of the financial year 2011-12, the Company had the borrowing of Rs. 617 Crores as against Rs. 392 Crores as on March, 31, 2011. During the year, the Company has parked surplus funds amounting to Rs. 871 Crores with Banks in Short Term Deposit. Your Directors are pleased to inform that your Company continues to be a debt free Company.

Your Company maintains a healthy credit rating of 'PR1+' for short term borrowings and 'Care AA' for long term borrowings from CARE and 'F1+' for short term borrowing and 'AA' with 'stable' outlook from FITCH.

6 TURNOVER

In the Year 2011-12, turnover of the Company (including trading activities) was Rs. 5302 Crores as against Rs. 4755 Crores in 2010-11. The increase in turnover was due to higher sales of both fertilizer and industrial products. The sale of fertilizers was Rs.3632 Crores and for Industrial Products, the Company registered net sales of Rs. 1670 Crores as compared to Rs. 1462 Crores in the previous year.

The following table highlights the distribution of Fertilizer Products v/s Industrial Products in the net sales of the Company during the last two years:

Particulars	2011	-12	20)10-11
	Rs. Crores	%	Rs. Crores	%
Fertilizers segment	3631.78	68.50	3292.80	69.25
Industrial Products Segment	1670.05	31.50	1462.25	30.75
Total	5301.83	100.00	4755.05	100.00

7 OUTLOOK FOR 2012-13

With the announcement of NBS policy and with fixation of subsidy on per Ton basis for the whole year on Phosphatic/ Potassic Fertilizers, the maximum retail price of the product will get altered as per the raw material prices in the international market. Announcement of Nutrient based Policy by the Govt. of India (GOI) may increase the volatility in the profit margins of the Fertilizer Industry. The cost efficient players will be better placed to combat the impact of this volatility. NBS policy on P & K fertilizers has been well received by all stake holders and the availability of fertilizers has also improved.

Cut throat competition in case of DAP/NPK fertilizers may continue during the first quarter of 2012-13 in the wake of prevailing glut situation & huge stock of fertilizers in the market. Market conditions will become normal with good monsoon only.

GSFC has got a good product mix but considering the NBS policy encouraging the use of NP/NPK grades, your Company needs to have the facility to produce DAP and NP/NPK grades at Sikka simultaneously. This is being considered by your Company. To increase the market share, your Company has planned to set up a trading desk and the Company has planned to import about 2.00 lacs MTs of DAP & substantial quantity of Muriate of Potash (MoP).

With subsidy on micro-nutrient fortified fertilizers, fertilizer manufacturers have started production of such fertilizers. Your Company is also examining the possibilities to manufacture such types of customized fertilizers.

In the Union Budget – 2012-13, Government of India has allocated sufficient funds for development of rural infrastructure. Easy access to credit, extra emphasis on irrigation and micro- irrigation, rural infrastructure and soil testing etc. would afford growth opportunities to the agriculture sector. The extension of NBS regime to cover urea is under active consideration of the Government.

Department of Fertilizers, GOI, in its notification dated 29th March, 2012 has mentioned that no freight reimbursement shall be made on account of secondary movement of P & K fertilizers. In addition to this, fertilizer suppliers have to ensure FOR delivery upto retail points. This move will increase the freight cost and ultimately marketing cost.

Generally farmers of Gujarat prefer indigenous Fertilizers to imported material. Besides NP/NPK products, demand of "Sardar DAP" is likely to continue at the present level. Considering your Company's presence in potential markets and its enjoying better brand preference, there may not be much problem in selling available quantity of DAP. Your Company has planned to open more than 50 depots in Gujarat. This will increase the market presence and thus enhance the availability of fertilizers to farmers.

In anticipation of good monsoon during FY 2012-13, your Company expects to sell 3.75 lacs MTs of fertilizers during Q1 of FY 2012-13.

8 RISK MANAGEMENT

Fluctuation in input prices, changes in Government policy, lesser availability of natural gas, fluctuation in foreign exchange and availability of raw materials in the international market has an impact on profitability of the Company.

In the International Market, while the prices of Ammonia, Sulphur and Phosphoric Acid are rising, DAP prices are also rising. Now, with fixed subsidy and floating MRP, market may experience frequent changes in the price of domestic Phosphatic Fertilizers depending upon the cost of production of the manufacturers. In the current scenario, good and widely distributed rainfall, smooth & comparatively cheaper availability of raw materials and timely reimbursement of subsidy by the Govt. of India would be the prime catalysts for the Company to sustain its operations profitably.

In the above likely scenario, the Company is focusing on the efficiency improvement with higher production levels, efficiencies in raw material procurement, increased availability through imports, reduction in marketing & distribution costs, production of various complex grades at Sikka and proper product/segment strategies to maximize the sales to achieve better contribution from its product basket.

To control the financial risks associated with the Foreign Exchange/ Currency rate movements and their impact on raw material prices, the Company has put in place a sophisticated Foreign Exchange Risk Management System.

9 RESEARCH AND PROMOTIONAL ACTIVITIES

Your Company is producing and marketing different types of Biofertilizers like Azotobacter, Azospirillum, Rhizobium & Phosphate Solubilizing Bacteria since 1984. It is a leader in Banana Tissue Culture plants in the State of Gujarat since 1995 and providing laboratory produced Lacs of disease resistant banana tissue culture plants, with uniform quality to the farmers to get better yield. Since 2006, it is also producing and marketing Cereal Protein Hydrolysate based Biotech products. Your Company is also in business of certified seeds of notified hybrids and varieties having disease and pest resistance.

Your company has state-of-the-art Soil & Water Testing Laboratory since 1969 to guide the farmers for judicious & balanced use of fertilizers, micronutrients as well as soil amendments like Gypsum by testing their soils which facilitate maintenance of soil fertility & soil health. Your company has also analyzed large number of soil samples to help in the mission of Govt. of Gujarat for providing Soil Health Card to each farmer. One Mobile Soil Testing cum Audio-visual Van is also operated to provide soil and water testing services at the doorstep of the farmers.

Sardar Agrinet Cell of your Company is well equipped with effectively and efficiently organized telecommunication infrastructure, computer support and human resources for instant response to farmers queries in local language. Through the available set up, the Subject Matter Specialists (SMS) interact with farmers, understand their problems and answer the queries. It is imparting to the farmers of Gujarat the valuable knowledge based on new technologies for various crops for improving cultivation and productivity.

Your Company is organizing regular and re-orientation Farm Youth Training Programs since 1986 in coordination with Agriculture Universities of Gujarat to educate the young generation of Farming Community regarding new developments/ technology in Agriculture and also motivate them to adopt them for increasing farm productivity. It organizes four regular & one re-orientation Farm Youth Training Programs every year to promote high-tech agri-concepts amongst the farmers, who are now decision makers.

Your company is publishing agricultural monthly magazine of 'Krishi Jivan' since 1968 in local language. It is one of the highest (83,000) circulating magazines having 38,000 Life Members. It provides latest agriculture information to farmers based on scientific developments and acts as a link for transfer of technology from 'Lab to Land'.

Your Company is concerned about the environment and ecological balance and in its endeavor, it is contributing through tree plantation, garden development & maintenance etc. with an objective to turn GSFC 'Green to Greener' and thus also supporting the initiative of Govt.of Gujarat in this direction.

For encouraging urban population to increase greenery and maintaining the ecological balance, your Company sponsored Fruit, Flower & Vegetable shows in association with Baroda Agri Horti Committee & also sponsored Flower Shows in association with Society for Clean Environment (SOCLEEN). It has participated in the competitions and won accolades and appreciation.

With a view to focus more on Agro Inputs, your company has recently formed a new subsidiary company viz. GSFC Agrotech Limited. Initially, it will take up production activities of Liquid Biofertilizers, Cereal Protein Hydrolysate based Biotech Products & Banana Tissue Culture Plants.

10 SAFETY, HEALTH AND ENVIRONMENT

During the year under review, GSFC was conferred Safety Award-2010 Certificate of Appreciation from NSCI, Mumbai and also the prestigious 'Gujarat State Safety Award 2010' in the form of Certificate of Honor from Gujarat Safety Council and Director Industrial Safety & Health for achieving three Million man-hours without any accident among Category-I Group A Industries.

Most of the plants at GSFC Fertilizernagar are more than 25 years old and Risk Assessment of all the installations was carried out in a phased manner in the past. Quantitative Risk Assessment study of all the plants at GSFC was done once again by M/s. PDIL and no major non-compliance is observed. Some of the recommendations received from them are being considered for implementation.

For up-gradation of fire fighting facilities to take care of any eventuality as well as extension of support to nearby industries, 6 nos. of new fire tenders has been purchased.

CORPORATE GOVERNANCE REPORT

(PURSUANT TO CLAUSE 49 OF THE LISTING AGREEMENT)

1 THE PHILOSOPHY

Corporate governance is about commitment to values and ethical business conduct by an organization. This includes its corporate and other structures, its culture, policies and the manner in which it deals with various stakeholders. Timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the company is an integral part of corporate governance. This enhances public understanding of the structure, activities and policies of an organization. Consequently, the organization is able to attract and retain investors, and enhance their trust and confidence. We believe that sound corporate governance is critical for enhancing investor's trust and seek to attain business goals with integrity. Our Board exercises its fiduciary responsibilities in the widest sense of the term.

Our disclosures always seek to attain the best practices followed. We also endeavor to enhance 'Stakeholders value and respect minority rights in all our business decisions with a long term perspective.

Our corporate governance philosophy is based on the following principles:

- 1. Satisfying the spirit of law and not just the letter of law.
- 2. Transparency and maintenance of a high degree of disclosure levels.
- 3. Make a clear distinction between personal conveniences and corporate resources.
- 4. Communicating effectively, in a truthful manner, about how the Company is run internally.
- 5. Comply with the Law of Land.
- 6. Having a simple and transparent corporate structure driven solely by business needs.
- 7. Firm belief that Management is the trustee of the shareholders' capital and not the owner.

The Board of Directors ('the Board') is at the core of our corporate governance practice and oversees how the Management serves and protects the long-term interests of all our Stakeholders. We believe that an active, well-informed and independent Board is imperative for ensuring highest standards of corporate governance.

The Company is having an appropriately constituted Board, with each Director bringing in key expertise in their respective professional arena. The Chairman of the Company is a Non-Executive Director. More than half of the Board consists of Independent Directors. In fact, the Board of GSFC comprises of entirely non-executive Directors except the Managing Director, who is an Executive Director.

There is a proactive flow of information to the members of the Board and the Board Committees enabling discharge of fiduciary duties effectively. The Company has full-fledged systems and processes in place for internal controls on all operations, risk management and financial reporting. Providing of a timely and accurate disclosure of all material, operational and financial information to the stakeholders is a practice followed by the Company. The Company confirms to the requirements of Clause 49 of the Listing Agreement.

All the Committees of the Board like Shares / Debentures Transfer and Investors' Grievance Committee, Finance-cum-Audit Committee etc. that are constituted under the Code of Corporate Governance, have been functioning effectively.

The Board of Directors of the Company has formally adopted the Code of Conduct at its Meeting held on 28-01-2005. The Code has been made applicable to the Board of Directors and the Senior Officers of the Company, i.e. all the members of the Internal Management Committee of the Company. The code includes honesty and integrity in all the transactions concerning the Company, conflict of interest, insider trading, protection of assets, communication etc. The Company firmly believes and accepts that this code of conduct cannot be expected to remain static and therefore, it would need continuous improvisation as per moral, cultural and ethical sense of values encountered by the Company with the passage of time.

Auditors' Report

To the Members of Gujarat State Fertilizers & Chemicals Limited, Vadodara

- We have audited the attached Balance Sheet of Gujarat State Fertilizers & Chemicals Limited as at 31st March, 2012 and Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3. As required by the Companies (Auditor's Report) Order, 2003 as amended by the Companies (Auditor's Report) (Amendment) Order, 2004, issued by the Government of India in terms of sub-section (4A) of section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
- 4. Further to our comments in the Annexure referred to above, we report that:
 - (a) we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books:
 - (c) the Balance Sheet, Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (d) in our opinion, the Balance Sheet, Statement of Profit and Loss and the Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956.
 - (e) On the basis of written representations received from certain directors of the Company and from the management in respect of other directors exempted vide General Circular No. 8/2001-CLV dated 22/03/2002 issued by Ministry of Law, Justice and Company Affairs, Department of Company Affairs and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2012 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.
 - (f) In our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2012;
 - (ii) in the case of Statement of Profit and Loss, of the profit of the Company for the year ended on that date; and
 - (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

THE PART OF THE PA

Note to the Financial Statements

1. Significant Accounting Policies

A. Basis of preparation and presentation of financial statements :

The financial statements have been prepared in accordance with the generally accepted principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the mandatory Accounting Standards issued by the Institute of Chartered Accountants of India and notified under Section 211(3C) of Companies (Accounting Standard) Rules, 2006, as amended and the other relevant provisions of the Companies Act, 1956. The significant accounting policies have been consistently applied by the Company.

B. Capital Expenditure :

- (a) Fixed Assets acquired and constructed are stated at historical cost including attributable cost for bringing the asset to its intended use.
- (b) Assets under erection/installation of the existing projects and on going projects are shown as "Capital Work in Progress".
- (c) Capital advances given for procurement of fixed assets are treated as non current assets irrespective of when fixed assets are expected to be received and are classified as Long term loans and advances.
- (d) In the absence of availability of specific original cost in respect of a part of assets capitalised under turnkey contracts, the original value of such asset written/disposed off is estimated on the basis of its current cost adjusted for price and technological factors.
- (e) Major cost of civil works required as plant and machinery supports, on the basis of technical estimates, is considered as Plant & Machinery.
- (f) Advances paid for the purchase/acquisitions of land in possession of the Company are included in the cost of land.
- (g) Renewals and replacements are either capitalised or charged to revenue as appropriate, depending upon the nature and long term utility of such renewals and/or replacements.
- (h) Intangible assets are stated at cost.

C. Borrowing Cost:

Borrowing cost of the funds borrowed for the qualifying asset is capitalised till the date of commencement of commercial production. Other borrowing cost is charged to revenue.

D. Depreciation and Amortization:

Depreciation on Fixed Assets is provided on Straight Line Method at the rates prescribed in Schedule XIV to

the Companies Act, 1956. Depreciation on additions to fixed assets and assets disposed off/discarded is charged on monthly pro-rata basis. Depreciation on commissioning of plants and other assets of new projects is charged for the days they are actually put to use. Exchange variation adjusted in the carrying cost of the fixed assets is amortized over the residual life of the assets.

Leasehold land, other than that on perpetual lease, is amortized over the life of the lease.

Intangible assets are amortized over their estimated economic lives but not exceeding ten years on a straight line basis.

Assets retired from use and held for disposal are stated at cost or realisable value whichever is lower. No depreciation has been charged on these assets after its retirement.

E. Impairment of Assets:

The Company makes assessment to find out whether there are any indications for impairment of assets as provided in the Accounting Standard stipulated by the Institute of Chartered Accountants of India. If any such indications are available then further process as per the Accounting Standard is carried out by the Company and necessary adjustments in the books of the accounts are made accordingly.

F. Foreign Currency Transactions:

Foreign currency transactions are recorded at the exchange rate prevailing on the date of transaction. Assets and liabilities related to foreign currency transactions remaining unsettled at the year-end are translated into rupee at the contract rates, when covered by forward cover contracts and at the year-end exchange rates in other cases. The exchange difference arising on foreign currency transactions including gain or loss arising due to cancellation of forward cover contracts are recognised in the profit and loss account except those relating to fixed assets acquired prior to 01.04.2004 which are adjusted to the carrying cost of the fixed assets.

G. Investments:

Current investments are carried at the lower of cost or quoted/fair value. Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of long term investments.

H. Inventories:

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing

overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, process chemicals, stores and spares, packing materials, trading and other products are determined on weighted average basis.

I. Revenue Recognition:

- (a) Sales of industrial products are accounted on the dispatch basis except export sales, which are recognised on the basis of bill of lading. Sales of fertilizers are accounted for on the basis of issue of release orders. Subsidy and equated freight on fertilizers are accounted on accrual basis as and when the order notified by for the same is available with the Company from the Government of India.
- (b) The amounts receivable from various agencies are accounted for on accrual basis except interest on delayed payments, refunds from customs & excise authorities, insurance claims (other than marine claims), etc. where it is not possible to ascertain the income with reasonable accuracy or in absence of finality of the transaction.

J. Employee Benefits:

(a) Short-term employee benefits :

Short term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

(b) Post Employment benefits :

Post employment benefits comprise of gratuity, superannuation for the eligible employees of all the four units of the Company and medical benefit for eligible employees of Baroda unit of the Company. Post employment benefits are recognized as an expense in the profit and loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable using actuarial valuation carried out as at the end of the year in accordance with the revised Accounting Standard 15 (revised 2005) on 'Employee Benefits' issued by the Institute of Chartered Accountants of India.

The company has set up separate recognized Provident Fund trusts for all the units of the Company. Contributions paid/payable for Provident Fund of eligible employees is recognized in the Profit and Loss Account each year. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the interest rate notified by Government.

The Company also contributes to a government administered Family Pension Fund on behalf of its employees.

(c) Other long term employee benefits :

Other long term employee benefits comprise of leave encashment. The Company accounts for Leave Encashment Liability on the basis of actuarial valuation carried out as at the end of the year.

(d) Actuarial gains and losses in respect of post employment and other long-term benefits are charged to the profit and loss account.

K. Research and Development:

Capital expenditure on Research & Development activities is included in Fixed Assets to the extent it has alternative economic use. Revenue expenditure pertaining to research activity is charged under respective account heads in the Profit & Loss Account.

L. Taxation :

Provision for Current income tax is based on the estimated taxable income for the period in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date and is recognised on timing differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred Tax assets, subject to consideration of prudence, are recognised and carried forward only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Provision for Wealth Tax is made in accordance with the provisions of the Wealth Tax Act, 1957.

M. Segment Reporting:

The Company has identified two reportable business segments i.e. Fertilizer products and Industrial products. The Company operates mainly in Indian market and there are no reportable geographical segments.

Notes:

- a) The Company has acquired land through Government and also through direct negotiations. The entire land is in possession of the Company. In respect of portion of land for which the Company has still not received the award/sale deed, the advance paid to land owners have been treated as land. In respect of other portion of land acquired through direct negotiations, compensation has been paid at the negotiated price. The Company also holds possession of a portion of land for which no amount has been paid in absence of receipt of awards.
- b) The Company has leased a portion of its land to Bank of Baroda for bank premises at Fertilizernagar and Sikka and Gas Authority of India Ltd. (GAIL) for establishment of CNG pumping station.
- c) Buildings include Rs.0.02 lakh being the value of shares in Co-operative Housing Societies.
- d) The addition in Leasehold Land of Rs.528 lakhs (Previous year Rs.441 lakhs) is for Wind Mill Project taken on lease for a period of 20 years.
- e) The Company established Sikka Jetty at its own cost, which is in operation since 1987. After due discussion with Gujarat Maritime Board (GMB), a consensus was arrived at establishing ownership of jetty with GSFC. Thereafter, in terms of resolution passed by GMB, the ownership of the jetty at Sikka was transferred to the Company. However, during 1994, GMB has reversed its earlier decision not supported by resolution and contended that the ownership of the jetty rests with GMB. The Company has made representation to the appropriate authority with regards to the ownership of the jetty with the Company.

The matter of deciding the status of Jetty was under examination at GMB & Government of Gujarat levels since long back. Various meetings were also held and after due diligence on the matter, it is decided by the Board of GMB supported by a resolution to assign the status of Captive Jetty to sikka jetty and the Company has to sign Captive Jetty Agreement with GMB. The matter is under discussion with GMB authorities. Pending finalization of the Captive Jetty Agreement, no provision is considered necessary in respect of various claims against the Company and counter-claims of the Company (both the amounts not determined). At present the Company is in possession of the Jetty and continues to be the owner of the Jetty till the Captive Jetty Agreement is signed.

The Industrial Tribunal, Vadodara vide its award dated 27/01/2009 in reference (IT) No.88/1999 directed the Company to pay to the concerned employees 50% of the amount calculated by working out double the amount qua the extra hours relating to the overtime done by concerned employees i.e. Supervisors and Sr. Supervisors during the period from 01/01/2001 to 31/03/2009. It has further been directed that the aforesaid would be effective upto March-2009 and thereafter if the concerned employees i.e. Supervisors and Sr. Supervisors are made to work overtime then in that situation such overtime wages would have to be paid at double the rate. The Industrial Tribunal's award has been challenged by the Company in the Hon'ble High Court of Gujarat and the Hon'ble High Court has granted Ad-interim relief thereby stayed the implementation, operations and execution of the award dated 27/01/2009. Vide an order dated 11/03/2010, the Hon'ble High Court has confirmed the interim relief granted earlier till final disposal of the petition.		
Aggrieved by the said order, the Grade-II Employees' Union filed the Letters Patent Appeal before the Division Bench of the High Court, which has been dismissed by the Div. Bench.

Sub: Implementation of Circular issued by MCA, Government of India on "Green Initiatives in Corporate Governance"- Registration of E-mail ID

The Ministry of Corporate Affairs ("MCA") has taken the "Green Initiative in Corporate Governance" (Circular No. 17/2011 dated April 21, 2011 and Circular No. 18/2011 dated April 29, 2011) allowing paperless compliances by companies through electronic mode. Companies are now permitted to send various notices/documents to their shareholders through electronic mode to the registered e-mail addresses.

This move by the Ministry is welcome since it will benefit the society at large through reduction in paper consumption and would contribute towards a sustainable greener environment. From shareholder point of view, it will ensure prompt receipt of communication from the Company and avoid situations where physical documents get lost in postal transit.

Keeping in view the underlying theme and circulars issued by MCA, we have proposed to send all documents to be sent to shareholder like General Meeting Notices, Annual Report including Audited Financial Statements, Directors Report, Auditors Report, etc. to our shareholders in electronic form, to the e-mail address provided by them and made available to us by the depositories.

Please note that these documents will also be available for download from the financials page on the Company's website www.gsfclimited.com. Physical copies will also be available for inspection during office hours at Registered Office of the Company.

Please also note that you will be entitled to be furnished free of cost, with a copy of the Annual Report of the Company and all other documents required by law to be attached thereto, upon receipt of a requisition from you, any time, as a member of the Company. Such a requisition may be sent to the Registered Office of the Company.

We are sure that as a responsible citizen, you will whole-heartedly support this initiative and will co-operate with the Company in our mutual endeavour towards a sustainable greener environment and brighter living.

Accordingly, **if you hold shares in physical mode,** we request you to kindly fill out the "Registration of E-mail ID Form" (The Form is printed on the backside of this page) and send the same to our Registrars and Share Transfer Agents M/s. MCS Limited at the address mentioned therein at the earliest or send e-mail to **gogreen@gsfcltd.com** quoting Folio No.

Shareholders holding shares in demat mode are requested to give their E-mail ID to their Depository Participant (DP) in the format provided by them

We look forward to your valuable support in this 'Go Green' initiative.

Thanking you and assuring you of our best services at all times.

To be sent by shareholder holding shares in physical mode only (Shareholders holding shares in demat mode are requested to give their E-mail ID to their Depository Participant (DP) in the format provided by them)

GREENER JOURNEY

GSFC is sensitive and concerned about the environment and ecological balance. GSFC has therefore embarked on another journey, a journey to turn the company from Green to Greener. This abiding concern has led GSFC to take initiatives to combat the climate change by aligning its business objectives with practices for conservation and protection of environment. In pursuit of this endeavour, GSFC has taken up two Clean Development Mechanism (CDM) initiatives to reduce greenhouse emissions.

The first CDM project envisages use of waste gas from company's plants to manufacture Ammonia obviating the need for natural gas fuel for its production. It is a matter of pride that the technology for replacing the fossil fuel has been developed through in-house research and development efforts. The second CDM initiative is on generating clean energy through a cluster of windmills. It is proposed to generate a total of 124 MW of energy through wind power.

As future generations inherit Environment as a legacy, GSFC has taken steps to ensure that they inhale quality air from the atmosphere. To this end, it has created awareness among employees about safe environment by encouraging on a large scale tree plantations, garden development and maintenance. On the World Environment Day this year also GSFC employees turned up in large numbers to plant large number of trees.

For GSFC Environment protection is a peoples' movement and to succeed needs their participation. To facilitate their participation, GSFC in association with Society for Clean Environment (SOCLEEN) have time and again sponsored fruits, flowers and vegetable shows.

On the manufacturing front, the company has installed sophisticated pollution control devices for reducing gaseous pollutants. It has also taken steps to prevent, minimize, recycle, reuse of liquid effluents, gaseous emissions and hazardous solid waste.

OUR FUTURE SCOPE

GSFC today is up against a murky business environment compounded by a depressing macroeconomic outlook, economic woes in Europe, recession in USA and the weakening of Rupee. Inputs price of fertilizers are on the up and their availability has shrunk.

GSFC is confident of crossing the hump also since it thinks ahead with an eye on the future. Setbacks or roadblocks have no unsettling effect as they are handled with consummate professionalism and with our capabilities to adapt and reinforce. Moving forward is what matters. The tough gets going when the going gets tough.

Already we have identified opportunities to go ahead. We are expanding the production capacities of two of our big revenue earners viz. Methanol and Nylon 6. Cyclohexanone plant is being upgraded.

On the fertilizer front, GSFC is planning to manufacture Single Super Phosphate (SSP) along with NPK grades at Sikka where it produces Di-Ammonium Phosphate, as the nutrient-based fertilizer policy is encouraging the use of such nutrients.

To increase the market share in fertilizers, it is planned to set up a trading desk to sell imported DAP and Muriate of Potash. The possibilities of manufacturing customized fertilizers are on the cards.

MANAGING RISK

Along side capacity expansion plans, GSFC is taking up a concerted risk management drive to contain the effect of a host of negative factors which have a bearing on the profitability of the company like input cost increase, change in government policy, lesser availability of natural gas and frequent price change in domestic market due to fixed subsidy and floating MRP.

GSFC is focusing on improving operational efficiencies with higher production levels, efficiencies in raw material procurement, reduction in marketing & distribution costs, besides proper product/segment strategies to maximize sales.

CORPORATE SOCIAL RESPONSIBILITY

At GSFC, Corporate Social Responsibility functions as a built-in, self-regulating mechanism, whereby business monitors and ensures its active compliance with the spirit of the law and ethical standards as well.

As a socially responsible Corporate, GSFC undertakes various programs for the socially under-privileged.

We participate in sponsoring Midday Meals for school kids through Akshay Patra Foundation. This scheme provides nutritious and hygienic food to thousands of underprivileged kids so that they can attend school for their bright future.

GSFC supports Society for Village Development's (SVADES) initiatives of developing the surrounding areas like upgrading village infrastructure, sanitation, water recharging, education, health awareness etc.

To stop the usage of wood for cooking, we financially supported providing of Gas connections, Gas stoves and Pressure cookers to more than 5000 Anganwadis.

GSFC: EMBODIMENT OF EXCELLENCE

In 1962, GSFC was born as yet another Indian factory. Today it stands out as a much admired embodiment of Excellence. The half a century of success has instilled a sense of pride and fulfillment in all those who have created it brick by brick. GSFC shall endeavor to carry forward this momentum to scale newer heights of success.
